

## About 경기과학고 T<sub>E</sub>X사용자협회 (GSHS T<sub>E</sub>XSociety)

Last modified : February 13, 2016

Note : GSHS stands for Gyeonggi Science High School, which is located in Suwon, Gyeonggi-Do, Republic of Korea.

GSHS T<sub>E</sub>XSociety is a community for GSHS students and teachers who use L<sup>A</sup>T<sub>E</sub>X, a well-known, high-quality typesetting system. In order to provide convenience for GSHS students to use L<sup>A</sup>T<sub>E</sub>X when writing reports for R&E(Research & Education) or thesis for graduation. Just like there are many T<sub>E</sub>Xuser groups worldwide, students in GSHS felt an necessity of group which shares .tex and .cls files which is necessarily need for using T<sub>E</sub>X.

GSHS T<sub>E</sub>XSociety was first founded by 박승원(SeungWon Park, student, admitted in 2014) in August, 2015. Also, GSHS T<sub>E</sub>XSociety thrives on GitHub. Its repository was also created by 박승원 in August, 2015, and is being developed by 이상현(SangHeon Lee, student, admitted in 2014) and 이주찬(JuChan Lee, student, admitted in 2014). Nowadays, GSHS T<sub>E</sub>XSociety aims to be officially founded as school scholar club.

Official website of GSHS T<sub>E</sub>XSociety is Here.
